

## **Attention:**

Thank you for submitting your application to the IVCC Nursing Program.

***You are now a part of IVCC Community!*** Login into Blackboard and click on “***Community***” you will find “***My Organizations***” (2022 Prospective Nursing Students)

The objective of this platform is to provide additional information regarding mandatory requirements of this program. Please click on the “Content” tab to find documents for your review. I will be adding additional information throughout the Spring semester. Please make it a routine to check this site often.

Enrollment in this informational site does not guarantee admission into the program.

If you have any questions please contact the Admissions and Records Office at 815-224-0439.

### ***When returning your application, you must have the following items:***

- Receipt of payment for your A2 exam – payment must be made directly to the IVCC Cashier. The A2 exam is \$46.00 and the test will be administered in April 2022. A receipt will be provided that must accompany your application. Check, cash, or credit card will be accepted.
- Residency proof is required when submitting the application. The address on the residency *proof must match the address on the application.*
