

# IVCC DUAL CREDIT PLACEMENT GUIDE

## Dual credit placement options for IVCC English, Science, and Math classes

- ✈ **PSAT:** If you took the PSAT 10 or PSAT/NMQST, send your official scores to IVCC. You may need your high school to help with this step. IVCC is allowing the use of PSAT scores to enroll in classes for SPRING 2021, SUMMER 2021, or FALL 2021 semesters.
- ✈ **ACT/SAT:** Take the ACT and/or the SAT. ACT scores in the areas of English and Math and SAT Evidence Based Reading and Writing (EBRW) and Math may allow you to also be able to register for IVCC dual credit classes. Select IVCC to receive your scores; SAT code: 1397; ACT code: 1056
- ✈ **Placement Tests:** IVCC placement tests are another option for students to see if they are eligible for IVCC classes. Initial testing is free. Appointments are required at least 24 hours in advance. First step is an IVCC Dual Credit enrollment form from your high school counselor or the IVCC Dual Credit Coordinator, Susan Monroe, [susan\\_monroe@ivcc.edu](mailto:susan_monroe@ivcc.edu). Filling out an enrollment form will establish your IVCC K-Number and student ID number which are required for placement testing. You will also need a photo ID. Tests can be retaken twice in a 12-month timeframe for a fee. **To schedule a placement testing appointment**, visit <http://www.registerblast.com/ivcc>. For more information, call the Assessment Center staff, 815-224-0542.
- ✈ **GPA:** IVCC does not use grade point average (GPA) for placement of dual credit students.

**Individualized Education Plans:** Students who had Individualized Education Plans (IEPs) in high school should contact the Disability Services coordinator for assistance with going through the placement process. Call 815-224-0634.
