Facilities Committee Meeting October 22, 2013

The Facilities Committee of the Board of Trustees of Illinois Valley Community College District No. 513 met at 7:30 p.m. on Tuesday, October 22, 2013 in the Board Room (C307) at Illinois Valley Community College.

Committee Members David O. Mallery, Chair Melissa M. Olivero

Laurie A. Bonucci

Others Physically Jerry Corcoran, President

Present: Cheryl Roelfsema, Vice President for Business Services and Finance

Development

Gary Johnson, Director of Facilities

Paul Basalay, Architect Michael Alstadt, Architect

Steve Halm, Capital Development Board

The meeting was called to order at 7:30 p.m. by Mr. Mallery.

COMMUNITY INSTRUCTIONAL PROJECT – PHASE 3

A committee of College administrators and Steve Halm, Paul Basalay, and Mike Alstadt met to discuss Phase 3 of the Community Instructional Center (CIC) project. Paul reviewed what was discussed at the meeting. The committee reviewed how much money was available from Phase 1 and 2 of the CIC project along with other revenues and compared this with the original scope of Phase 3. Monies available from Phase 1 and 2 are \$273,000; the furniture and moveable equipment budget was \$1,000,000 and there is an estimated \$275,000 remaining. The College also has \$259,000 available in Capital Renewal Funds and the elevator in Building E (\$300,000) could be funded with a portion of the Protection, Health and Safety (PHS) annual tax levy. Mr. Mallery expressed concern that the College is increasing its portion of Phase 3, while lessening the Capital Development Board's (CDB) portion. The College is also allowing CDB and KJWW to charge their percentage on the portion of the project while the College is paying 100 percent. The committee reviewed the spaces for Phase 3 with program changes and scope changes. Dollar amounts were assigned to each project and then ranked in priority. The total cost of Phase 3 is estimated at \$1,139,750 (without contingencies) and only \$1,107,000 in funds available. This was close enough to include some alternate bids. In addition to the extra funds previously mentioned from Capital Renewal and PHS, IVCC would have to come up with additional funds of \$900,000 to do everything in the original scope of Phase 3. It was recommended to include one elevator in the building where other high priority projects would take place. The other two elevators were left out because they were not a high priority and not in buildings where work would be done. There was consensus among the committee members with the priority list. Basalay is hoping for more competitive bids by putting the projects together. The first step is to re-evaluate each of the areas, to update the estimates, and then come back to the Board. Steve Halm noted he would need a letter from Cheryl Roelfsema noting the projects to be included in Phase 3 and the College's total commitment. No money would be transferred now, but the College would be committed to the amount. It was moved by Ms. Bonucci and seconded by Ms. Olivero to approve the priorities of Phase 3 as listed on page 2, item 5 in the notes prepared by Basalay, Cary & Alstadt Architects of the meeting held on October 8, 2013 of with a dollar amount of \$1,139,750 plus a ten percent contingency. It was also discussed if KJWW could be replaced for Phase 3. Motion passed by voice vote.

SOFTBALL AND BASEBALL FIELDS

Due to the conditions of the softball and baseball fields, The Wright Insurance Group was asked to review the College athletic field areas for safety and liability issues. Recommendations for improvement were shared with the Facilities Committee. The condition of the baseball facilities is very unsafe and the recommendation was to use this field only for practices. Jason Goode, the new baseball coach, Tracy Morris, and Tommy Canale recommended the College enter into an agreement with the City of Oglesby to use their Dickinson House field for baseball games. Local trade groups are donating labor for the softball field to build new dugouts and Maze Lumber is supplying half of the materials, Cyclops did the posts, and Western Sand & Gravel did the concrete work. Cory Tomasson has worked closely with Gary Johnson and the field will be in good condition and the materials selected will blend in nicely with the new building and the east campus. The fencing around the field was noted as not being safe. The price tag on the fence is a little under \$10,000 and will be funded by the facilities budget. Mr. Mallery asked for the board members if they would have time to solicit donations for the fencing. It was determined that the administration would like to complete the fencing this fall. Once this is completed the focus will be on the baseball field. The plan is to continue the agreement with the City of Oglesby and use their field until funds are raised to upgrade the baseball field. There was consensus of the committee to proceed with the plan.

ADJOURNMENT

It was moved by Ms. Olivero, seconded by Ms. Bonucci, and carried unanimously to adjourn the meeting at 8:25 p.m. Motion passed by voice vote.

CAMPUS UPDATE – IVSUSTAINABILITY AT IVCC (Jared Olesen)

Jared Olesen was very excited to talk about sustainability at IVCC. The IV Sustainability organization at the College was founded in January 2012. Activities of the organization have included campus recycling, food waste composting, and an annual Green Expo. The organization is planning to use ½ acre of farmland on the south end of the campus to grow food and bring it to market using all organic agricultural techniques and local/regional marketing. The benefits to the students include hands-on curricular experience, practical life skills and ecological knowledge, business experience in practice, and participation in a forward-looking

and entrepreneurial enterprise. Benefits to the College include higher quality education, increased competitiveness, public relations, and community partnerships. Jared's long-term vision is an Entrepreneurial Small Farm program at IVCC. There is no water near the ½ acre of farmland, but Jared plans to place rain barrels around the acreage and has contacted the Oglesby Fire Department and they have expressed their willingness to help in times of little rain.

Motion passed by voice vote.

PRESIDENT'S REPORT

Dr. Corcoran reported the process of moving programs and staff to the Peter Miller Community Technology Center is progressing nicely. Admissions and Records, Financial Aid, Project Success, Counseling, and Career Services personnel are in their new locations. Continuing Education will most likely move before Thanksgiving and Adult Education shortly thereafter. Dr. Corcoran thanked the Facilities staff for their hard work on this project as well as the employees in Information Technologies and Learning Technologies for their patience and professionalism. The Cultural Centre is being prepared for its first event in quite some time as Congressman Adam Kinzinger will be hosting his 16th District Youth Leadership Conference on Friday, November 22 for approximately 150 juniors and seniors, many of whom are attending high schools in the IVCC district. The Cultural Centre's stage floor has been replaced and painted, the curtain cleaned and rehung, and a thorough cleaning of the seating area is underway. Regarding Phase 2 construction matters, asbestos abatement will resume in mid-January so that demolition of the 45-year old temporary buildings can take place in the spring of 2014. Bev Malooley and Gina Czubachowski were commended for the nice job they did of hosting this year's Breakfast of Champions program at Deer Park Country Club on October 24 where a large

number of individuals were honored for their success. Keynote speaker, Seattle Sutton, announced her plan to make a generous donation of \$10,000 in support of IVCC's nursing program. Cheryl Hobneck, Mary Black, and Trisha Blood presented at the Illinois Learning Specialists and Developmental Educators conference, which met at Moraine Valley on October 18. The title of their presentation was Fast Track to College Math where they shared information on IVCC's new program. Two of Francie Skotlanc's graphic design students have won honorable mention recognition in the Engineering Education Service Center's 2013 Poster Contest. There were 143 entries in the competition. Amy Weber and Desiree Brantner were recognized for the posters they created to inspire students to pursue degrees in Engineering, Engineering Technology or any other STEM field. Dr. Corcoran congratulated Amy and Desiree on their fine work. Dr. Corcoran also congratulated everyone who played a role in the first-ever and first-class Manufacturing Expo in the Illinois Valley on October 23. Hundreds of local high school students began their day by visiting manufacturing job sites and then attending a gathering where Dan Janka was the keynote speaker—he did a great job of encouraging students to consider training for careers in manufacturing at IVCC in the new Peter Miller Community Technology Center. Dr. Corcoran thanked the North Central Regional Betterment Coalition for leading the effort and partnering with many organizations. Dr. Corcoran hopes that this can become an annual event and that the lunch and afternoon program can be held in the future on the IVCC campus. According to Emily Vescogni and Frances Whaley, the library recently received the FY13 value statement from the Consortium of Academic and Research Libraries in Illinois and learned that for the nearly \$29,000 the College expended with the organization, it received approximately \$245,000 in services and products. Membership in the Consortium helps students become familiar with many of the same research tools they will use when they transition on to four-year institutions. Congratulations went to three IVCC freshmen for being elected to the Student Government Association - Stephanie Vera, Christian Bender and Tiernan Ebener. Cory Tomasson does a fine job of serving as faculty advisor to the group. And finally, work on the softball program dugouts is wrapping up. Fran Brolley and Coach Tomasson are planning something special in the way of recognition from the Softball Team for the donors, however, letters of appreciation have been sent to the Illinois Valley Building and Construction Trades Council (in particular Dave Argubright of Carpenters Local 195 and Steve Conrad representing the Cement Masons), Roelif Loveland of Maze Lumber, Mike Sitterly of Western Sand & Gravel Company, and Joe Piano of Cyclops Welding Company, for their generous donations of materials and labor. Kudos went to Gary Johnson, Director of Facilities, for his expert oversight on this project.

COMMITTEE REPORTS

Dr. Huffman reported the Audit/Finance Committee met and reviewed the audit from last fiscal year. The auditors' opinion is unmodified which is the highest level an institution can receive. There was one issue with the College not spending its match money in the TRIO Grant, but this did not reflect any problems in the system of controls or processes. The audit was submitted to the Illinois Community College Board before the deadline date. The High Deductible Health Plan was discussed which is on the November agenda. Discussion took place regarding the waiving of tuition and fees for part-time employees to enroll in a fitness center course. The revised administrative procedures are included in the yellow pages of the board book. The Committee also reviewed the projects for Phase 3 of the Community Instructional Center Project. Priorities were established and these were concurred by the Facilities Committee.

Minutes of IVCC Board Meeting November 19, 2013 Page 7

Mr. Mallery reported the Facilities Committee reviewed the projects for Phase 3. There are a lot of projects on the list for Phase 3, but due to a shortage of money not all projects will be addressed from the original scope. Mr. Mallery thanked the administration for working diligently to find projects the Facilities Department could do themselves. Mr. Mallery noted that the College is paying a larger portion of Phase 3 - 75/25. Mr. Basalay believes he can save the College some money by combining projects. The Facilities Committee also discussed the conditions of the softball and baseball fields. Mr. Mallery asked board members for their help in finding a sponsor for the fencing.

2013 TENTATIVE TAX LEVY

It was moved by Dr. Huffman and seconded by Mr. Solon to adopt the Resolution approving a Tentative Tax Levy and Tentative Certificate of Tax Levy, as presented. Mr. Mallery noted there are a number of people who are losing their homes because of taxes and each year the College has an opportunity to hold the line on taxes. For years the College made sure the tax rate was lower each and every year. Now the College is looking at another percentage increase. With high unemployment and a record number of people losing their homes, Mr. Mallery could not support a tax levy with an increase in the tax rate. Dr. Huffman noted the College spends its money wisely and does not waste it. The faculty, staff and administration have worked hard to keep the budget down; there is no fluff in the budget. Even with an increase in the rate, the College is extending and receiving less money in the last several years. It is a reflection of the equalized assessed valuation decreasing in the area, other than farmland. Dr. Huffman recommended passing the tax levy as presented. Ms. Goetz pointed out that when you look at the percentage increase of 3.6, it is only an increase of .0127 in the tax rate. Ms. Goetz believes the Board has a responsibility to the staff and students to continue to offer the programs that will make them successful in the area. Motion passed by voice vote with Mr. Mallery voting nay.

HIGH DEDUCTIBLE HEALTH PLAN/HEALTH SAVINGS ACCOUNTS

It was moved by Mr. Solon and seconded by Ms. Goetz to authorize the administration to establish Health Savings Plans as presented for employees electing the High Deductible Health Plan. Under the Affordable Care Act, institutions are encouraged to provide health care plans with a high deductible with lower premiums. The recommendation of contributions made by the College to the employees selecting the plan helps to offset the high deductible. Dr. Huffman believes it is something the College needs to do and he supports it. The contribution will go into a health savings plan with no tax liability as long as the money is spent on health-related expenses. Motion passed by voice vote.

FACULTY APPOINTMENT – MS. TRACY D. LEE, ENGLISH COMPOSITION AND CREATIVE WRITING INSTRUCTOR

It was moved by Dr. Huffman and seconded by Ms. Bonucci to approve the appointment of Ms. Tracy D. Lee as the English Composition and Creative Writing Instructor assigned to the Division of English, Mathematics and Education for the 2013-2014 academic year, with placement on the salary schedule at Step B-5, \$42,543. Ms. Dzik, Dean of English, Mathematics and Education stated that Ms. Lee is very enthusiastic and excited. She totally understands the community college student and believes it is the instructor's responsibility to inspire the student. She showed characteristics that the selection committee was looking for in an instructor. Motion passed by voice vote.

BID RESULTS – 2013 PHS PROJECT – BLDG. G WATER SYSTEM HEAT EXCHANGER REPLACEMENT

It was moved by Mr. Mallery and seconded by Dr. Huffman to accept the base bid from John's Service & Sales, Inc. – Oglesby, IL in the amount of \$94,279 for the PHS Project for Building G Water System Heat Exchanger Replacement. Mr. Mallery noted that a single tank system was too tall for the building and the decision was made to go with a dual tank system. The bid came in lower than the estimated cost. There was a subcontract in the amount \$12,500 for resetting the HVAC system. Mr. Mallery asked who will be overseeing this subcontractor. Mr. Basalay will be overseeing the entire project and Gary Johnson will make sure that it is functioning properly. Motion passed by voice vote.

BID RESULTS – CASH FARM LEASE

It was moved by Dr. Huffman and seconded by Mr. Solon to accept the bid in the amount of \$380 per acre from Chris Kolodziej, LaSalle, Illinois for the cash farm lease. Motion passed by voice vote.

TRUSTEE COMMENT

Dr. Huffman noted the Community Technology Center grand opening was terrific with the furniture and technology in place. The tour guides were well briefed. He was thoroughly impressed with the building. Kudos to all involved.

CLOSED SESSION

It was moved by Mr. Mallery and seconded by Dr. Huffman to convene a closed session at 7:27 p.m. to discuss 1) the appointment, employment, compensation, discipline, performance, or dismissal of specific employees of the public body; 2) collective negotiating matters; 3) pending litigation; 4) probable litigation; and 5) closed session minutes. Motion passed by voice vote.

After a short break, the Board entered closed session at 7:35 p.m. On a motion by Mr. Solon and seconded by Dr. Huffman, the regular meeting resumed at 9:20 p.m. Motion passed by voice vote.

CREATION OF TEMPORARY FULL-TIME DISABILITY SERVICES COORDINATOR POSITION IN THE DIVISON OF ENGLISH, MATHEMATICS, AND EDUCATION/INTERIM TO BE NAMED (DECEMBER)

It was moved by Dr. Huffman and seconded by Mr. Solon to approve the recommendation that a temporary full-time Disability Services Coordinator position be created in the Division of English, Mathematics, and Education, with an Interim to be named following creation of the position. Motion passed by voice vote.

STAFF RETIREMENT – DR. LORI E. SCROGGS, VICE PRESIDENT FOR LEARNING AND STUDENT DEVELOPMENT

It was moved by Mr. Solon and seconded by Ms. Goetz to accept with regret the retirement of Dr. Lori E. Scroggs, Vice President for Learning and Student Development, effective March 1, 2014 and wish her a long, happy, and healthy retirement. Mr. Mallery noted it was a privilege to have her on the Board. He values her as a person, friend, and colleague. Dr. Driscoll stated he would sincerely miss her. Motion carried by voice vote with Ms. Bonucci voting nay.

CLOSED SESSION MINUTES

It was moved by Ms. Goetz and seconded by Ms. Bonucci to approve and retain the closed session minutes of the October 15, 2013 meeting. Motion passed by voice vote with Dr. Huffman abstaining as he was not present for the October 15 closed session meeting.

OTHER

Dr. Corcoran gave an update on athletics. After the Board Retreat, the following actions were taken: men's and women's tennis were moved to Division III and men's baseball was moved to Division III. The waivers in Volleyball were cut to 10, half waivers and the team will remain in Division II.

ADJOURNMENT

It was moved by Mr. Mallery and seconded by Dr. Huffman to adjourn the meeting at 9:25 p.m. Motion carried by voice vote.

2013 Tax Levy

The administration anticipates a 2.5 percent decline in assessed valuations for Tax Year 2013 for an estimated equalized assessed valuation (EAV) of \$2,980,685,675. The Illinois Community College Board (ICCB) has notified IVCC of the authority to levy .0943 as the Additional Tax (Equalization). This is a 6.8 percent increase from the .0883 tax rate in Tax Year 2012. The Education, Operations and Maintenance, Protection, Health and Safety, and Audit tax rates are limited. As per past practice, the administration will try to maximize the tax extensions for these particular levies. The Bond and Interest and Social Security fund levies are not limited and the proposed levy request is similar to prior years. It is estimated the total tax rate for 2013 will be .3663, which is 3.6 percent higher than 2012. This is due to a decrease in EAV and the higher Additional Tax rate.

The anticipated tax extensions for Tax Year 2013 are \$117,194 higher than Tax Year 2012, but \$126,714 less than Tax Year 2011.

The administration is proposing a tax levy of \$11,260,800 be submitted to the county clerks at the end of December. This amount is slightly under a five percent increase and will not require a public notice and a public hearing. The request for a higher levy than is estimated will insure that if the EAV is higher than the estimate, the levies for the Education and Operations and Maintenance funds will be at the tax-rate limit and maximize the tax revenue for these funds.

The attached worksheet shows actual assessed valuations, tax rates, and tax extensions for the last 10 years.

Recommendation:

The administration recommends the Board adopt the Tax Levy Resolution, Certificate of Tax Levy, Resolution of Intent, Notice of Intent to Levy an Additional Tax, and Certificate of Compliance with the Truth and Taxation Act, as presented.

This certificate pertains to all named colleges to the levy adopted and filed in the fall of 2013. Please note the provisions of Section 3-14.3 which specify that your board of trustees must adopt a resolution expressing its intent to levy such an additional tax, thereby giving district voters an opportunity to request a referendum on the proposed additional levy.

CERTIFICATION ON ELIGIBILITY FOR SPECIAL TAX LEVY

Section 3-14.3 of the Public Community College Act allows districts eligible for equalization grants to levy up to the combined statewide average tax rate for educational and operations and maintenance purposes if they currently are levying less than that amount. The ICCB is required to certify the eligibility of districts to levy by November 1 of each year.

RECOMMENDED ACTION

It is recommended that the following motion be adopted:

The Illinois Community College Board hereby certifies that the following community college districts were (1) eligible to receive equalization grants either in fiscal year 2013 or fiscal year 2014 and (2) had combined educational and operations and maintenance purposes tax rates less than 26.43 cents per \$100 of equalized assessed valuation and are, therefore, eligible to levy at a combined educational and operations and maintenance purposes rate up to and including 26.43 cents per \$100 of equalization assessed valuation in accordance with 110 ILCS 805/3-14.3:

The additional levy authority is subject to "backdoor" referendum. Within ten days after the adoption of a resolution expressing the district's intent to levy all or a portion of the additional taxes, the district is required to publish notice of its intent. A petition signed by 10 percent or more of the registered voters in the district will cause the proposed increase to be placed on the ballot at the next regularly scheduled election. A 30-day period is allowed for such a petition to be received.

This special tax levy authority does not circumvent tax cap legislation. All tax cap legislation is still applicable to those districts that fall under it.

Additional Security Officer - Information Desk

The opening of the Peter Miller Community Technology Center and the reassignment of current information desk personnel have created an opening for a security position at the information desk. Prior to relocating our security office to the lower level of Building C, our security office was near the front entrance to the College and security officers provided back up for the information desk personnel. Though moving the security office to a more secure location has worked out well, occasionally staff and students suggest we have a security presence in close proximity to the front door. The CTC building has over 30 security cameras, bringing our total security cameras to over 100. Cameras at the building entrances are monitored from the security office, but a security officer with clear visibility of those approaching or entering the building would give an extra measure of security.

Our current security service, G4S Secure Solutions, can provide personnel with capabilities to act as a security officer, provide campus information to students and visitors, and perform other clerical duties. Though the contract states the College can request additional personnel on a temporary basis, this would be a regular addition to the security staff. This individual would wear what they refer to as a "soft" uniform – dress shirt, slacks, and a blazer with a small badge on the pocket stating they are G4S personnel. G4S Secure Solutions would charge \$18.10 per hour for this 40-hour per week contract position.

G4S has provided security services to the College since August 2011. The cost from August 1, 2011 to July 31, 2013 has been \$634,025 or an average of \$317,013 per year. The original estimate was \$400,000 per year.

Recommendation:

Authorize the administration to add an amendment to the contract with G4S Secure Solutions to provide a security officer for duty at the information desk at an hourly rate of \$18.10 for 40 hours per week.

Purchase Request - Network Firewalls, Security Subscriptions and Installation

The administration requests authorization to proceed with the purchase of new network firewalls with associated security subscriptions and to contract for their installation and configuration.

The use of internet resources by the college continues to increase as more faculty utilize streaming video and other Internet resources in their classes. The college has increased the available bandwidth from 35 Mb to 100 Mb in the last year, but the available bandwidth is still limiting the effective use of these resources. Once the iFiber connection to the college is completed this month, IVCC will have access to internet bandwidth beyond 100 Mb. The current network firewalls have a maximum capacity of 100 Mb and thus they need to be replaced before we can utilize the higher bandwidth.

The best, low-cost system that meets the needs of the college is the Palo Alto Networks PA-3020 Firewall and Traffic Shaper quoted to Burwood Group Inc., the College's IT consultant. Burwood Group Inc. has provided network related services to the college over the past several years. Their familiarity with IVCC and our systems allows them to minimize the cost of their services and to recommend solutions that enhance the IVCC network infrastructure.

This purchase is exempt from bidding (110 ILCS 805/3-27.1-f) and will be paid from the IT fund balance.

Semi-annual Review of Closed Session Minutes

The Closed Session Minutes Committee met on Tuesday, November 19, 2013 and thoroughly reviewed all minutes lawfully closed under the Open Meetings Act.

Recommendation:

The Closed Session Minutes Committee recommends continuing to retain the minutes of closed session meetings.

Authorization for Destruction of Verbatim Recordings of Closed Session Meetings

In accordance with the Open Meetings Act, a verbatim record has been kept of all meetings of the Board of Trustees of Community College District 513 that are closed to the public since May 27, 2010. The verbatim record is in the form of an audio recording. The audio tape recording of closed sessions is not subject to Board approval, nor is it open for public inspection or subject to discovery in any proceeding other than a court action to enforce the Open Meetings Act.

Furthermore, in accordance with the law, Dr. Jerry Corcoran has authorized for destruction the tape recordings of closed meetings that meet the following criteria:

- 1. A verbatim record exists:
- 2. At least 18 months have passed since the date of the meeting;
- 3. The Board of Trustees has approved the written minutes of the closed meeting as to form, regardless of whether the minutes have been released for public review; and,
- 4. There is no lawsuit pending regarding the legality of the closed session.

Recommendation:

That the Board adopts the following resolution:

"Be it resolved that the Board of Trustees of Community College District 513, accepts for destruction the verbatim audiotapes of Closed Session Meetings from June 24, 2010; July 22, 2010; August 26, 2010; September 21, 2010; October 1, 2010; October 19, 2010; November 16, 2010; December 20, 2010; January 18, 2011; February 15, 2011; March 15, 2011; April 19, 2011; May 17, 2011; June 21, 2011; July 19, 2011; August 23, 2011; September 8, 2011; September 20, 2011; October 18, 2011; November 15, 2011; December 20, 2011; January 17, 2012; February 21, 2012; March 20, 2012; April 17, 2012; and May 15, 2012.

"Be it further resolved that the Board of Trustees of Community College District 513 authorizes the destruction of Closed Session audiotapes from June 24, 2010; July 22, 2010; August 26, 2010; September 21, 2010; October 1, 2010; October 19, 2010; November 16, 2010; December 20, 2010; January 18, 2011; February 15, 2011; March 15, 2011; April 19, 2011; May 17, 2011; June 21, 2011; July 19, 2011; August 23, 2011; September 8, 2011; September 20, 2011; October 18, 2011; November 15, 2011; December 20, 2011; January 17, 2012; February 21, 2012; March 20, 2012; April 17, 2012; and May 15, 2012 as all the criteria for destruction of these tapes under the Open Meetings Act have been met."

Re: Amanda Cook-Fesperman's Sabbatical

In April of 2013, the Board of Trustees granted a full year sabbatical leave to Ms. Cook-Fesperman for the 2013-14 academic year. Due to unexpected events, she has had to reconsider the second half of her sabbatical. Ms. Cook-Fesperman approached me about the possibility of ending her sabbatical early and returning to campus and her normal academic responsibilities in the Spring Semester of 2014.

In conversations with her, she listed the accomplishments she achieved during the Fall, including preparing for her exams by taking three independent study courses to review the literature in American and Comparative politics. She has also done much of her remaining dissertation research by completing a literature review, gathering data on state term limits, and identifying key variables that might have affected her quantitative research. She hopes to use her work on Comparative Politics as the foundation of a new course entitled Introduction to Comparative Politics.

Dr. Scroggs and I are in agreement that it is in the best interest of Ms. Cook-Fesperman, the College, and our students to allow her to return to her normal duties at her normal rate of pay in Spring 2014. We appreciate the time and consideration that the Board gave to this issue at its November meeting, and will therefore proceed in welcoming Ms. Cook-Fesperman back to campus in January.

Re: Christine Blaydes' Tenure Recommendation

Typically, faculty are awarded tenure by the Board of Trustees at the February Board meeting; faculty who began full-time employment in August (Fall semester) of 2011, will be presented for approval of tenure in February 2014. There are, however, exceptions.

Christine Blaydes began her faculty employment as the Program Coordinator for the Certified Nurse Assistant (CNA) program in Spring 2011, and therefore will eligible for tenure in January, 2014. Rather than having two tenure award and celebratory events for small numbers of faculty each time, the administration preferred to award and celebrate tenure achievements as per past practice in February.

It is customary that each individual eligible for tenure present his/her portfolio to the Dean, Associate Vice President, and Vice President prior to the presentation to the Board to gain administrative approval and feedback to strengthen the portfolio and assure that it accurately represents the faculty member's accomplishments. To confirm that Ms. Blaydes met all requirements prior to her eligibility date, she met with Dr. Scroggs, Ms. Isermann, and Ms. Campbell for the initial presentation of her portfolio on Friday, December 6, 2013. In addition to evaluation documents, letters of recommendation, student course feedback, professional development, community service, and examples of contributions to the institution, Ms. Blaydes included artifacts from her classroom and clinical work as evidence of student learning. She further included artifacts clarifying the unique nature of the Illinois Department of Public Health Certified Nursing Assistant (CNA) program and her associated duties as the program's coordinator. Ms. Campbell, Ms. Isermann, and Dr. Scroggs were in unanimous agreement that she met the requirements for tenure outlined in the IVCC Guidelines for Non-tenured Faculty Evaluation System.

We look forward to Ms. Blaydes sharing her portfolio with the Board of Trustees at the February meeting and celebrating her success.

FOREIGN AFFAIRS

Dr. Jerry Corcoran President Illinois Valley Community College 815 North Orlando Smith Road Oglesby, Illinois 61348

Dear President Corcoran:

Thank you very much for allowing my congressional office to use Illinois Valley Community College's fabulous new Community Technology Center along with the Cultural Center for our recent 16th Congressional District Youth Leadership Summit.

Approximately 290 students and their faculty sponsors from twenty-seven high schools across north and central Illinois were able to attend. Inspirational speakers such as Major General John Borling who spent six and one half years imprisoned in Hanoi during the Vietnam War and Tom Ricketts, the owner and CEO of the Chicago Cubs, provided the students with very different types of leadership examples. The students were also able to participate in a leadership exercise which encouraged them to identify the key challenges facing their schools and communities and then consider potential solutions to these difficult problems.

The IVCC staff attended to our every need. Dawn Watson was tremendously helpful with the site arrangements. Jenna Stinson made sure the Cultural Center sound system operated flawlessly. Country Catering provided outstanding service and a delicious lunch.

Altogether, working with IVCC was a very pleasant experience for me and my staff and one which I hope we can replicate in the years to come.

Finally, let me congratulate you and the IVCC Board of Trustees and staff on conceiving and completing the Community Technology Center. While I hope to tour this new building at some point, I am grateful for the major educational and economic development opportunities it will help provide to my constituents throughout the Illinois River Valley area.

Once again, thank you for the deeply appreciated support of IVCC for the Youth Leadership Summit. Best wishes to you and your family for a wonderful Holiday Season!

Sincerely,

Adam Kinzinger
