

COLLEGE TRENDS I GEN ALPHA ... WHAT'S NEXT?

A close-up, warm-toned photograph of a diverse group of young people, likely Gen Alpha, smiling and posing for a selfie. The group includes individuals of various ethnicities and ages, with some wearing plaid shirts. The lighting is bright and natural, creating a joyful and inclusive atmosphere.

GEN ALPHA

Born between 2010 & 2024

Digital Natives

Tech Savvy / Hyperconnected

Visual Learners

AI

Aware of the Environment

Independent & Confident

well-being | mental health

connected and collaborative

multitasker

entrepreneurial mindset

easily distracted

self-directed learning

makes quick decisions

diverse and inclusive

personalized learning
