Employee Technology Accounts

Microsoft Employee Technology Accounts and Systems				
<ol style="list-style-type: none"> All employees have a Microsoft account. Campus computers, wifi, and Office.com use your Microsoft account. Your Microsoft username is firstname_lastname (John_Smith). Obtain your default Microsoft password from your supervisor. Changing your Microsoft password in one system changes the password in all systems using your Microsoft password. Your Microsoft account requires two-step authentication. When logging in to your account the first time, you setup authentication. You must verify your identity with a text or a phone call each time you access Office.com. Your IVCC email address is firstname_lastname@ivcc.edu (John_Smith@ivcc.edu) To forward your IVCC email, visit the settings, (gear icon), in the upper right-hand corner of the Outlook web app.
