### CATALOG DESCRIPTION:

This course is designed for the student desiring to reach an advanced level of fitness. Emphasis is placed in three areas of physical fitness: strength, flexibility and cardiovascular endurance. Each student's level of fitness will be evaluated through a pre- and post-physical fitness assessment.

### GENERAL EDUCATION GOALS ADDRESSED

*[See the last page of this form for more information.]*

**Upon completion of the course, the student will be able:**

*[Choose those goals that apply to this course.]*

- To apply analytical and problem solving skills to personal, social and professional issues and situations.
- To communicate orally and in writing, socially and interpersonally.
- To develop an awareness of the contributions made to civilization by the diverse cultures of the world.
- To understand and use contemporary technology effectively and to understand its impact on the individual and society.

- ☒ To work and study effectively both individually and in collaboration with others.
- ☒ To understand what it means to act ethically and responsibly as an individual in one's career and as a member of society.
- ☒ To develop and maintain a healthy lifestyle physically, mentally, and spiritually.
- ☒ To appreciate the ongoing values of learning, self-improvement, and career planning.

### **EXPECTED LEARNING OUTCOMES AND RELATED COMPETENCIES:**

*[Outcomes related to course specific goals.]*

1. understand the basic components of a physical fitness program so that he/she will better understand what is being accomplished during exercise.
  - 1:1 understand concepts of cardiovascular fitness.
  - 1:2 understand Target Heart Rate procedure.
  - 1:3 understand and demonstrate concepts of strength training.
  - 1:4 understand and demonstrate concepts of flexibility.
  - 1.5 understand components of body composition.
  
2. demonstrate proper usage of cardiovascular machines.
  - 2:1 be instructed on proper use of exercise bikes.
  - 2:2 be instructed on proper use of stair steppers.
  - 2:3 be instructed on proper use of treadmills.
  - 2:4 be instructed on proper use of cross trainers.
  
3. demonstrate proper usage of weight training machines.
  - 3:1 understand and demonstrate proper techniques of weight training equipment.
  
4. engage in vigorous exercise activity.
  - 4:1 use all appropriate equipment within the context of their exercise program.
5. demonstrate improved strength, flexibility and cardiovascular endurance.
  - 5:1 be pre- and post-tested at the beginning and ending of each semester to measure fitness improvements.
  
6. set up an individualized fitness program.
  - 6:1 be instructed on how to design an exercise program to suit their individual needs and goals.

## **COURSE TOPICS AND CONTENT REQUIREMENTS:**

Week 1      Orientation

Weeks 2-51   Students will come to the Fitness Center and exercise according to the recommendations of his/her fitness profile. Individual changes will be made as needed.

Week 52      Post-testing

A. At the end of the course, students will be retested and given a computerized sheet on pre-test and post-test results, which will show actual, and percentage changes in inches, weight and strength.

B. If the student did not reach his/her expected goals, an evaluation is made of the prescriptive program and adjustments will be suggested.

## **INSTRUCTIONAL METHODS:**

1. Instructor personally pre- and post-tests each student with the aid of a computer.
2. Direct supervision and individual instruction will be given while the student is using the Fitness Center.

## **INSTRUCTIONAL MATERIALS:**

1. Physical fitness equipment - Fitness Center Laboratory

## **STUDENT REQUIREMENTS AND METHODS OF EVALUATION:**

Students will be required to do the following:

1. Complete the fitness test (pre-test) at the beginning of the course.
2. Complete the fitness test (post-test) at the end of the course. This must be completed no later than the last day of classes at the end of the course.
3. Fill out a daily workout form after each workout.
4. Pick up their fitness profile in the Fitness Center office and have one of the staff members explain their exercise program.
5. Carry a towel during the workout to wipe perspiration off themselves and the equipment.

## **Grading Scale**

- A = 36 visits
- B = 31-35 visits
- C = 26-30 visits
- D = 18-25 visits
- F = 0-17 visits
- P/F = 18 visits
