

In order to be eligible for financial assistance at Illinois Valley Community College (IVCC), a student must be seeking to earn an **Associate Degree**, or a **Certificate Program** which is at least 16 credit hours long. Below is a listing of all programs currently approved for financial assistance at IVCC. If you are reviewing your educational goals, you may wish to meet with an academic counselor to learn more about a specific program of study. If you decide to change your program to one that is eligible for financial assistance, make that change with the Admissions and Records Office (1-815-224-0447) and then notify the Financial Aid Office (1-815-224-0438) when this has been completed. Hours may vary based on student's catalog year.

Associate Degrees	Hrs	Certificate Programs (Continued)	Hrs
Associate of Arts	60	Computer Aided Drafting Mechanical/Electronics	21
Associate in Engineering Science	64	Computer Networking	39
Associate in General Studies	60	Computer Numerical Control Operator	24
