Part IV, Section D, Line 3 - Role The Organization's Supported Orgs. Played

The non-voting members of the Foundation board consist of the President and the Director of Community Relations and Development of Illinois Valley Community College, the supported organization. Through these relationships, significant voice is given by the supported organization in the investment activities and use of funds by the Foundation.

Part IV, Section E, Line 2a - Identify Supported Orgs. and Explain How Activities Furthered Exempt Purposes

Illinois Valley Community College is the supported organization of the Foundation. The Foundation's activities directly furthered the College's exempt purposes by providing scholarship funds and assistance to its students by investing funds into several College educational programs and functions. The Foundation has a steady working relationship with the College and is very responsive to its need. The College is the only supported organization and all activity supports its function.

Part IV, Section E, Line 2b - Reasons For The Organization's Position

If not for the activities performed by the Foundation, the supported organization would have engaged in the same activities in order to offer educational opportunities to students who lack the means to obtain affordable education and financial assistance as well as to provide funds for various educational programs of the College to further promote the education of its students.
