Key National Benchmarks – Where Does Your Institution Stand?

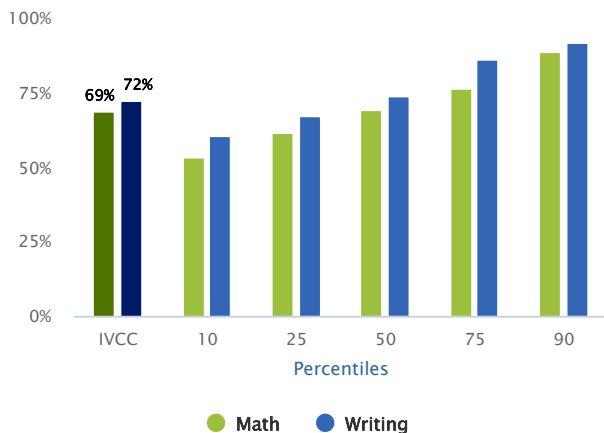

Thank you for participating in the National Community College Benchmark Project in 2022. This year’s report selects a few key data for your institution compared to the national benchmarks, including newly added data showing your Spring 2023 enrollment against national trends. The full NCCBP report, available online, contains more than 150 additional benchmarks, which are collectively intended to support your planning, assessment, peer comparisons and strategic decision-making activities.

Enrolled Student Credit Hours (SCH) by Days from Census – Percent Change

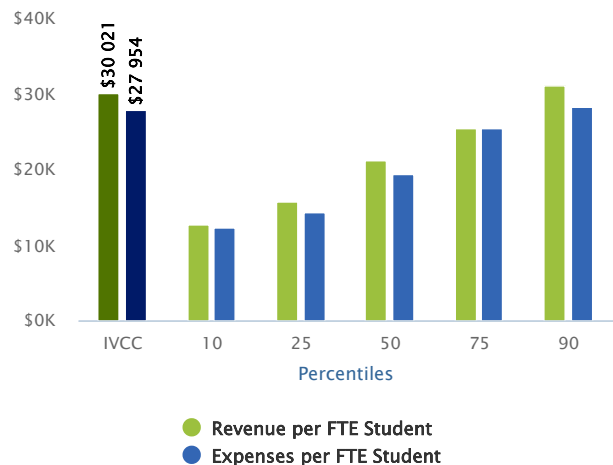

The percentage change of student credit hours between Spring 2022 enrollment compared to Spring 2023 enrollment over the period of 100 days prior to and throughout until the college’s census day.

Developmental Completer Success Rate

Revenue and Expenses per FTE Student

The percent of students, institution-wide, who received grades of A, B, C, or Pass in developmental/remedial math and writing courses in Fall 2021.

Total revenues per FTE (full-time equivalent) student and Total Expenditures per FTE (full-time equivalent) student for Fiscal Year 2022.

Persistence Rate

The persistence rate is the percent of Fall 2021 credit students, both full- and part-time, who return to the campus for the next term (usually Spring 2022), or for the next Fall term (Fall 2022). This metric excludes students who graduated or completed certificates in the time frame.

Completer Success Rate

The percent of students who received grades of A, B, C, or Pass in their courses in Fall 2021.
