

## ILLINOIS VALLEY COMMUNITY COLLEGE

### Key National Benchmarks – Where Does Your Institution Stand?

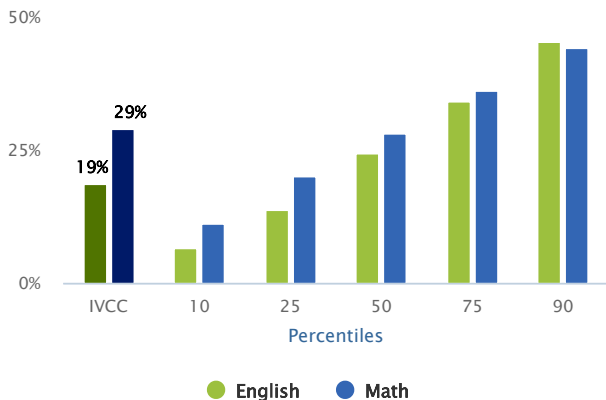

Thank you for participating in the National Community College Benchmark Project in 2023. This year’s report selects a few key data for your institution compared to the national benchmarks, including newly added data showing your Spring 2024 enrollment against national trends. The full NCCBP report, available online, contains more than 150 additional benchmarks, which are collectively intended to support your planning, assessment, peer comparisons and strategic decision-making activities.

#### Enrolled Student Credit Hours (SCH) by Days from Census – Percent Change

The percentage change of student credit hours between Spring 2023 enrollment compared to Spring 2024 enrollment over the period of 100 days prior to and throughout until the college’s census day.

#### Early Momentum Metrics Percentage of First-time Students Completing Gateway Courses

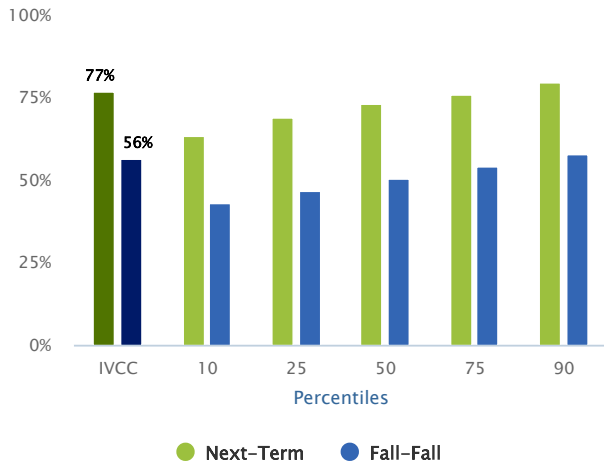

#### Revenue and Expenses per FTE Student

The percentage of first-time students from Fall 2022 completing gateway courses in English Comp I/II and Math by the end of Spring 2023 term.

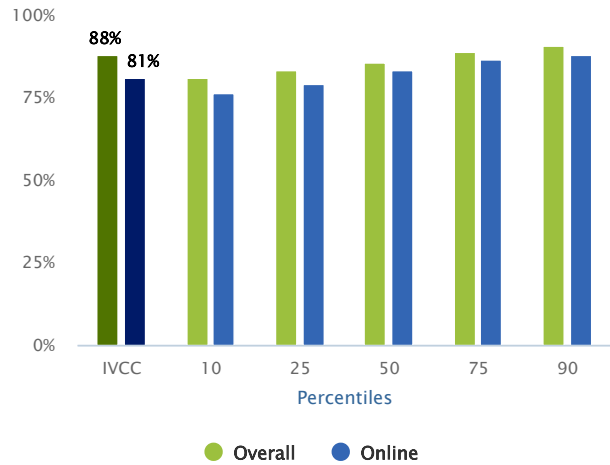

Total revenues per FTE (full-time equivalent) student and Total Expenditures per FTE (full-time equivalent) student for Fiscal Year 2023.

## Persistence Rate

The persistence rate is the percent of Fall 2022 credit students, both full- and part-time, who return to the campus for the next term (usually Spring 2023), or for the next Fall term (Fall 2023). This metric excludes students who graduated or completed certificates in the time frame.

## Completer Success Rate

The percent of students who received grades of A, B, C, or Pass in their courses in Fall 2022.
