Each vendor shall carefully examine all proposal documents and all addenda thereto and shall thoroughly familiarize themselves with the detailed requirements thereof prior to submitting a proposal. Should a vendor find discrepancies or omissions from documents, or should there be doubt as to their meaning, they shall, at once, and in any event not later than ten (10) days prior to proposal due date, notify the Director of Purchasing who will, if necessary, send a written addendum to all bidders. The College will not be responsible for any oral instructions. All inquiries shall be directed to the Director of Purchasing. After proposals are received, no allowance will be made for an oversight by the bidder.

## SIGNATURE ON PROPSALS:

The College requires the signature on proposal documents to be that of an authorized representative of said company. Each bidder, by making her/his proposal, represents that she/he has read and understands the proposal documents and that these instructions to vendors are a part of the specifications.
