Readiness for college isn't just about academics. It's about knowing college lingo, processes and resources. It's about having the right technology skills. About feeling a meaningful connection to people at the college. About knowing how to manage yourself, your time, and your tasks, especially when college isn't the only thing going on in your life.

### **In Get Set, you will ...**

- Build college knowledge and connections to resources
- Brush up on general academic strategies
- Gain confidence with basic technology
- Develop new relationships
- Learn coping strategies to thrive

### **Get Set is ...**

- Free for students
- Offering monetary incentives for participation
- Pairing students with mentors
- Serving students who are often under-represented and under-served in college

### **Get Set will ...**

- Meet in a morning session July 25-29 from 9 am to 1 pm **OR** in an evening session July 26 and 28 and August 2, 4, and 9 from 5 pm to 9 pm.
- Be limited to 15 graduating high school students and 15 new or returning adult students
