

Domestic Violence Awareness Month

OCTOBER 2022

1 in 3 women

in the USA have experienced intimate partner violence in their lifetimes.

1 in 4 men

in the USA have experienced intimate partner violence in their lifetimes.

1 in 2 trans or nonbinary people

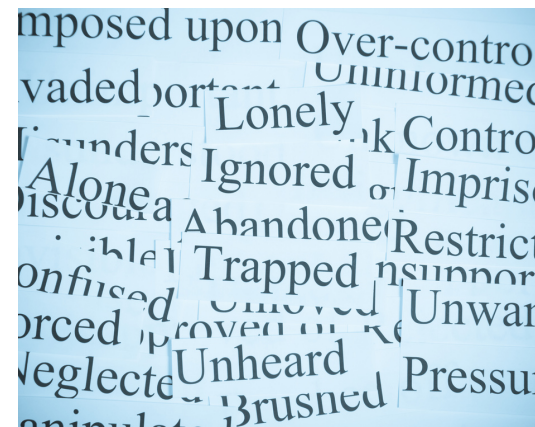

in the USA have experienced intimate partner violence in their lifetimes.

DOMESTIC VIOLENCE

DV is a **pattern** of harmful **behavior** used to obtain **power and control** over a family member, dating partner, or household member.

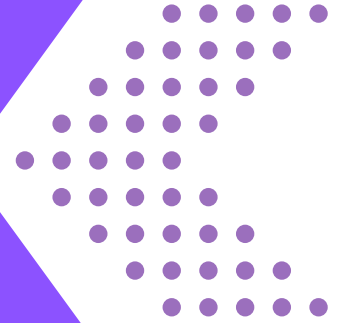

Domestic Violence (DV) is also known as **intimate partner violence, teen dating violence, and relationship abuse.**

WHAT DOES DV LOOK LIKE?

Sexual Abuse - Physical Violence - Stalking - Isolation - Gaslighting - Withholding Necessitates - Shaming - Pressuring - Belittling - Sabotage - Threats - Withholding Money - Reproductive Coercion

How To Help A Friend

1. Listen without judgement
2. Tell them you believe them.
3. Offer resources
4. Don't push them to report or leave

Learn More

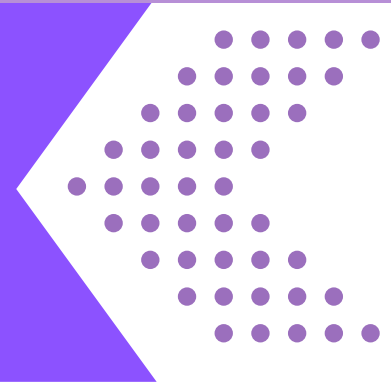

One Book One College has selected *Maid* by **Stephanie Land for 2022-2023**. The book is based on the author's journey through poverty, domestic violence, and parenthood as she pursues her education. There will be events and discussions all year long for this book. Go to [IVCC.edu/OneBook](https://ivcc.edu/OneBook) to learn more.
